

## GOD IS CALLING US

Beloved brothers and sisters in Jesus, Mary and Joseph:

God is calling us to a personal and fraternal journey in our big Charismatic Family.

God is calling us to celebrate the mystery of His incarnated Son.

God is calling us to a deep transfiguration of our life, which will permit us to be in harmony with ourselves, with neighbours and the creation.

God is calling us to be a joy and to give joy around us.

God is calling us to sow hope in every part of the world.

Let us go to Nazaret with courage from there let us restart to bring the Gospel of the Holy Family to all.

Let us open ourselves to the Spirit and when we will really enter into a process of openness and discernment.

God will fill us of grace, he will make us stable, He will give us the strength of the pilgrim to go through the streets, meeting our neediest brothers, living our Charism where we are.
